Missing From: 2127 N. Angus St. #B Fresno, CA

Missing Since: 02/23/2013

On 2/23/13 at about 6:00 PM, Mother and step-father left their children ages from 5-12 year in age at home while they went to the grocery store. 12 year old Chee Yang was left to watch kids. Upon the mother and step-father's returning home, they found all the kids missing. All kid's clothing in the house was also missing. It is believed that biological father Xa Yang picked up all of the children. Mother and authorities have not been able to make contact with Xa Yang to confirm that all the children listed above at with the father. The father Xa has been estranged from the kids for the last 3 years. We believe that father lives in the Sacramento, CA area. This is being investigated as a possible family abduction. We are asking for the public's help, anyone with information on the whereabouts of any of the children or the father Xa Yang is encouraged to contact the Fresno Police Department.
